PLANT ENGINEERING - CONTRACTS

ACCESSION 117

BOX NUMBER

INVENTORY OF CONTENTS

---

1

Inventory

Atlanta, Georgia

Barge-Thompson Co. - Loading Dock, April 21, 1923  
Cleveland Crane & Engineering Company - (see Pittsburgh)  
John Graham - architect, December 11, 1914 (see Pittsburgh)  
Hard and Adams, Inc. - Battery Room, July 19, 1920  
Haughton Elevator & Machine Co. - Elevators, May 20, 1914  
(see Pittsburgh)  
Keyless Lock Co. - Steel Vault Equipment, July 29, 1914 (see Seattle)  
Otis Elevator Co. - Passenger Elevator, August 17, 1914 (see Seattle)  
Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, December 31,  
1914 (see Seattle)

Buenos Aires, Argentina

Albert Kahn - Architect for Service station, February 21, 1919

Buffalo, New York

American Engineering Co. - Taylor Stokers, September 16, 1915  
Austin Separator Co. - Oil Separators, January 7, 1916 (see Long Island)  
Buffalo Forge Co. - Fans, June 4, 1915  
Buffalo General Electric Co. - Electricity, May 1, 1929  
Henry P. Burgard Co. - Excavation Contract, February 6, 1915  
D. Connelly Boiler Co. - Boilers, September 1, 1915  
Coon De Visser Co. - Feed-Water Heaters, January 7, 1916  
(see Long Island)  
John W. Danforth - Water Piping, March 6, 1916  
Detroit Steel Products Co. - Steel Sash, May 26, 1915  
George H. Drake - Plumbing, May 24, 1915  
Eagan & Dougan - Batteries for Badenhausen Water Tube Boilers, January 6, 1916  
Eastern Concrete Steel Co. - Retaining Wall for Loading Docks, March 20, 1917  
August Feine & Sons - Boiler Fabrication, January 29, 1916  
Griffin Engineering & Contracting Co. - Steam Ash Conveying Equipment,  
January 29, 1916  
H. R. Heinicke, Inc. - Contractor, October 6, 1915  
Hooven-Owens-Rentschler Co. - Tandem & Single Cylinder Engine,  
January 21, 1916 (see Long Island)  
Keasebey & Mattison Co. - Asbestos Cement Work at Power House, April 14, 1916  
Kellogg Structural Steel Co. - Extension to Mnorail System, June 4, 1920  
Kerr Turbine Co. - Trip Valve on Main Governor, December 22, 1915  
Keyless Lock Co. - Steel Vault Equipment, August 19, 1915  
(see Washington, D.C.)

1 (cont'd)

Buffalo, New York (cont'd)

Albert Kraus & Son - Survey of Ford Property, December 21, 1914  
John J. Long & Co. Inc. - Elevator Shaft, October 27, 1923  
Manistee Iron Works - Pumps to Circulate Hot Water, January 7, 1916  
(see Long Island)  
Meade-Morrison Manufacturing Co. - Coal Handling Equipment, October, 1915  
Memphis Steel Construction Company - Steel Tank & Tower, April 15, 1915  
Otis Elevator Co. - Elevators, May 27, 1915

2

Buffalo, New York

Phillips-Badenhausen - Water Tube Boilers, July 30, 1920 (see Kansas City)  
Platt Iron Works - Water Pumps, January 7, 1916 (see Long Island)  
Richardson-Phoenix Co. - Oil Filter and Equipment, April 26, 1916 (see Long Island)  
Robertson Electrical Construction Company - Electrical Work, May 24, 1915  
Turner Construction Co. - Construction, December 9, 1915  
Walker & Chambers - Water Heating System, May 24, 1915  
Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, August 13, 1915  
Westinghouse Manufacturing Company - Fan Motors, November 5, 1915  
Wheeler Condenser & Engineering Co. - Steam Condensing Equipment, May 3, 1916 (see Long Island)  
Robert Wilkinson - Automatic Sprinkler System

Cambridge, Massachusetts

Careful Window Cleaning Co. - Window Cleaning, August 2, 1926  
James S. Cassidy - Sprinkler System, November 6, 1919  
Heating System, November 31, 1919  
Detroit Mantel & Tile Co. - Lighting Fixtures, May 28, 1914  
Interior Metal Manufacturing Co. - Elevator Doors, November 14, 1914  
(see Highland Park)  
Keyless Lock Co. - Steel Vault, July 29, 1914 (see Seattle)  
Otis Elevator Co. - Passenger Elevator, August 17, 1914 (see Toronto)  
S. C. Sperry Co. - Battery Charging Room, January 28, 1920

Charlotte, North Carolina

Southern Public Utilities Co. - Power Line, August 8, 1924

Chester, Pennsylvania

Delaware County Electric Co. - Electrical Contract, October 11, 1927

Chicago, Illinois

American Bridge Co. - Construction, August 21, 1916 (see River Rouge)  
American Telephone & Telegraph Co. - Telephone Service, May 18, 1917  
Automatic Sprinkler Co. of America - Sprinkler System, August 18, 1919  
Chicago Telephone Co. - Service, August 21, 1914  
Commonwealth Edison Co. - Electrical Service, May 22, 1913  
Detroit Mantel & Tile Co. - Lighting Fixture, May 28, 1914  
Interior Metal Manufacturing Co. - Elevator Doors, November 6, 1914  
(see Seattle)

## Chicago, Illinois (cont'd)

- Keyless Lock Co. - Steel Vault, July 29, 1914 (see Seattle)
- J. Livingston & Co. - Electrical Work, May 31, 1923; December 12, 1923
- National Power-Construction Co. - Boilers, September 27, 1919
- Otis Elevator Company - Passenger Elevator, August 17, 1914 (See Toronto)
- Public Service Co. - Underground cable, August 11, 1930
- Western Electric Co. - Electricity, April 18, 1918

## Cincinnati, Ohio

- Cleveland Crane & Engineering Co. - Cranes, October 28, 1914 (see Pittsburgh)
- John Graham- Architect, December 11, 1914 (see Pittsburgh)
- The Houghton Elevator & Machine Co. - Elevator, May 20, 1914 (see Pittsburgh)
- Interior Metal Manufacturing Co. - Elevator Doors, November 6, 1914 (see Seattle)
- Keyless Lock Co. - Steel Vault, July 29, 1914 (see Seattle)
- Otis Elevator Co. - Passenger Elevator, August 17, 1914 (see Toronto)
- Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, January 7, 1916  
(see Pittsburgh)

## Cleveland, Ohio

- Cleveland Crane & Engineering Co. - Cranes, October 28, 1914 (see Pittsburgh)
- Cuyahoga Window Cleaning Co. - Window Cleaning, September 8, 1919
- John Graham- Architect, December 11, 1914 (see Pittsburgh)
- The Houghton Elevator & Machine Co. - Elevator Contract, May 20, 1914  
(see Pittsburgh)
- Interior Metal Manufacturing Co. - Elevator Doors, November 6, 1914  
(see Seattle)
- Keyless Lock Co. - Steel Vault, July 29, 1914 (see Seattle)
- Otis Elevator Co. - Elevator  
August 17, 1914 (see Toronto)  
November 5, 1914 (see Long Island)
- Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, January 7, 1916  
(see Pittsburgh)

## Columbus, Ohio

- Interior Metal Manufacturing Co. - Elevator Doors, November 14, 1914  
(see Seattle)
- Albert Kahn - Architect, December 9, 1915
- Keyless Lock Co. - Steel Vault, July 29, 1914 (see Seattle)
- O. E. Luchtenberg - Steel Test Shed, May 7, 1920
- Otis Elevator - Elevators, August 17, 1914 (see Toronto)

## Dallas, Texas

- Interior Metal Manufacturing Co. - Elevator Doors, November 14, 1914  
(see Seattle)
- Keyless Lock Co. - Steel Vault, July 29, 1914 (see Seattle)
- Otis Elevator Co. - Passenger Elevators, August 17, 1914 (see Toronto)

## Davenport, Iowa

- Peoples Light Co. - Electricity, December 11, 1915

3 (cont'd)

Denver, Colorado

Detroit Mantel & Tile-lighting Fixtures, May 28, 1914  
Denver Gas & Electric Light Co. - Electricity and Gas, October 7, 1913  
Great Western Oil Co. - Motor Oil, April 1, 1911  
Interior Metal Manufacturing Co. - Elevator Doors, October 12, 1914 (see  
Seattle)  
Keyless Lock Co. - Steel Vault, January 28, 1914 (see Seattle)  
Mountain State Telephone & Telegraph Co. - Telephone Service, Dec. 16, 1907  
Otis Elevator Co. - Elevator, July 10, 1914 (see Toronto)

Des Moines, Iowa

Badenhausen Co. - Boilers, December 8, 1916  
Electrical Engineering & Construction Company - Electrical Units, September  
23, 1920  
H. Kelly Co. - Heating System, July 17, 1920  
Murphy Iron Works - Furnaces, February 5, 1917  
Chas. Weitz & Sons - Concrete Driveway, October 4, 1919

4

Detroit, Michigan - Lincoln Plant

Copperstone Products Co. - Cement Floor, November 5, 1923  
Detroit Street & Railway - Bracing of pole, December 5, 1923  
Federal Cement Tile Co. - Tile roof for shipping building, January 5, 1922  
Albert Kahn - Architect, July 27, 1922  
Otis Elevator Co. - Alter Elevators, January 20, 1923  
J. Livingston & Co. - Steel Sash, May 31, 1923  
Julius Porath - Driveways, June 20, 1923  
Walbridge Aldinger Co.  
September 25, 1922 - Laying additional tracks  
October 30, 1922 - Change of gas main  
November 14, 1922 - Install concrete driveway  
January 20, 1923 - Elevator hatchways and penthouse

5

Edgewater, New Jersey

Public Service Electric and Gas Company - Electrical Service, February 3, 1930

Fargo, North Dakota

David E. Kennedy Inc. - Cork Tile Installation, May 26, 1915  
McDermott & Greenshields - Electrical Work, March 20, 1915  
North Dakota Decorating Co. - Decorating, May 21, 1915  
Northwestern Telephone Exchange - Telephone Service, August 22, 1914  
Otis Elevator Co. - Elevators, November 9, 1914 (see Long Island)  
Pittsburgh-Des Moines Steel Co. - Water Tanks, December 4, 1914 (see  
Long Island)  
Pittsburgh Plate Glass Co. - Glass and Glazing, June 18, 1915  
Quincy Electric Co. - Gates and Operating System, July 10, 1915  
L. P. Riley - Vacuum and Ventilating System, January 6, 1916  
Union Light, Heat and Power Company - Electricity, September 11, 1911  
Variety Manufacturing Company - Rolling Steel Shutter, May 27, 1915

## Flat Rock, Michigan

- The Carey Company - Plumbing and Heating Systems in Lamp Factory, June 20, 1923
- Detroit Edison Company - Alternating Current Service, December 23, 1929
- Judd Company - Excavating Work on Huron River Bed, April 17, 1923
- C. Stanley Morgan - Filtration Plant, November 17, 1923
- Wm. Turkovitch - Lay Drain Across Ford Motor Company Property, February 20, 1925

## Glassmere, Pennsylvania (Glass Plant)

- American Dressler Tunnel Kilns Company - Installation of Pot Arching Kiln, August 9, 1920
- Bollinger-Andrews Construction Co. - Extension to Warehouse, August 11, 1923
- Cuthbert Bros. Co. - Erection of Pot House Building, July 11, 1923
- Dravo Construction Co. - Water Screening Station, October 26, 1923
- G. F. Higgins Company - Heating System, October 30, 1923
- Simplex Pile Foundation Co. - Excavation For Pot House, March 29, 1923

## Green Island, New York

- Albert Kahn - Architect for Manufacturing Building, July 27, 1922  
(see Detroit Lincoln Plant)
- J Livingston & Co. - Electrical Power Distribution System in Manufacturing Plant, January 20, 1923

## Houston, Texas

- Interior Metal Manufacturing Co. - Elevator Doors, October 12, 1914  
(see Seattle)
- Keyless Lock Company - Steel Vault Equipment, January 28, 1914  
(see Seattle)

## Indianapolis, Indiana

- John Graham - Architect, December 11, 1914 (see Pittsburgh)
- The Haughton Elevator and Machine Co. - Elevator, May 12, 1914 (see Pittsburgh)
- Interior Metal Manufacturing Co. - Elevator Doors, October 12, 1914  
(see Seattle)
- Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, January 7, 1916  
(see Wichita)

## Jacksonville, Florida

- Curtis-Ellis-Kooker - Survey, July 9, 1920
- Jacksonville Electric Service - Electricity, October 5, 1915
- Jacksonville Telephone Service - Telephone Service, October 4, 1915

## Kansas City, Missouri

- American Engineering Co. - Taylor Stoker, November 16, 1915
- Austin Separator Co. - Oil Separators, January 7, 1916 (see Long Island)
- Coon-DeVisser Co. - Feed Water Heaters, January 7, 1916 (see Long Island)
- Detroit Mantel & Tile Co. - Lighting Fixture, March 12, 1914

## Kansas City, Missouri (cont'd)

Kansas City Electric Light Co. - Electricity, January 29, 1909  
 Kansas City Home Telephone Co. - Equipment and Services, February 10, 1909  
 Kerkering & Roebber - Cooling Pond, October 14, 1916  
 Keyless Lock Co. - Steel Vault Equipment, January 29, 1914 (see Seattle)  
 Manistee Iron Works - Pumps, January 7, 1916 (see Long Island)  
 Phillips-Badenhausen - Water Tube Boilers, July 30, 1920  
 Platt Iron Works - Water Pumps, January 7, 1916 (see Long Island)  
 Western Electric Co. - Wire Generators, September 27, 1915 (see Long Island)  
 Wheeler Condenser & Engineering Co. - Steam Condensing Equipment, May  
 7, 1916 (see Long Island)  
 Wisconsin Bridge & Iron Co.  
 September 11, 1916 - Heat Treat Building  
 November 25, 1916 - Power House Floor

## Kearney, New Jersey

American Bridge Co. - Steel Foot and Driveway Bridges, April 16, 1917  
 American Cement Tile Manufacturing Co. - Cement Tile roof over  
 Head-house, May 22, 1917  
 Braun & Chamberlin - Painting of Exterior of Building, December 28, 1918  
 W. G. Cornell Company  
 August 24, 1917 - Sewerage System for Wharf Building  
 December 18, 1918 - Hot Water Heating System  
 February 2, 1919 - Sprinkler System  
 November 12, 1920 - Service Water System  
 Detroit Steel Products Co. - Steel Sash and Doors, May 22, 1917  
 Joseph Eliaz & Co. - Glazing Head House, December 15, 1917  
 Fenestra Construction Co. - Steel Sash and Doors, May 22, 1917  
 Fleming, O. Brien & McEntegart Inc. - Paying Dock & Head House  
 June 18, 1918  
 Great Lakes Dredge & Dock Co.  
 July 25, 1917 - Dredging & Filling Passaic River  
 September 17, 1918 - Rental of Derrick & Boat  
 Jaehnig & Peoples  
 July 5, 1918 - Install 12" Water Main  
 July 12, 1918 - Install Pipe & Fixture  
 K-W Electric Co. - Electric Light Wiring, March 25, 1918  
 Fred Kilgus, Inc. - Head House Lavatory  
 March 11, 1918  
 August 15, 1918  
 J. Livingston & Co. - Electrical Work  
 March 21, 1923  
 May 31, 1923  
 Lord Electric Co. - High Tension Lighting System, December 20, 1918  
 Owen Lynch - Clean and Repair Oil Well, October 27, 1917  
 J. Edward Ogden Co. - Doors, May 23, 1917  
 Pawling & Harnisfeger - Crane, April 2, 1917  
 Stillman-Delechanty-Ferris Co. - Repair of Timber Bulk Head  
 October 12, 1917  
 January 16, 1919

## Long Island, New York

- Austin Separator Co. - Oil Separator, January 7, 1916
- Cleveland Crane Co. - Crane, October 28, 1914 (see Pittsburgh)
- Coon De Visser Co. - Feed Water Heaters, January 7, 1916
- John Graham - Architect, December 11, 1914 (see Pittsburgh)
- Interior Metal Manufacturing Co. - Passenger Elevator Doors, October 12, 1914 (see Seattle)
- Keyless Lock Co. - Steel Vault, November 12, 1914 (see Seattle)
- Manistee Iron Works - Pumps, January 7, 1916
- Otis Elevator Co. - Elevator, November 9, 1914
- Pittsburgh Des Moines Steel Co. - Water Tanks, December 15, 1914
- Platt Iron Works - Water Pumps, January 7, 1916
- Richardson-Phoenix Co. - Oil Filter & Equipment, January 26, 1916
- Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, December 31, 1914 (see Wichita)
- Western Electric Co. - Wire Generators, September 27, 1915
- Wheeler Condenser & Engineering Co. - Steam Condensing Equipment, May 22, 1916

## Los Angeles, California

- Detroit Mantel & Tile Co. - Lighting Fixtures, September 29, 1913 (see Seattle)
- Interior Metal Manufacturing Co. - Passenger Elevator Doors, October 12, 1914 (see Seattle)
- Keyless Lock Co. - Steel Vault Equipment, November 12, 1914 (see Seattle)
- Llewellyn Iron Works - Addition to Branch Building, February 23, 1923
- Los Angeles Electrical Service - Electricity, April 2, 1913
- Pacific Telephone & Telegraph Co. - Equipment and Service, October 27, 1914
- Standard Oil Co. - Oil, December 21, 1911

## Louisville, Kentucky

- H. K. Ferguson - Addition to Assembly Plant, December 19, 1922
- The Houghton Elevator & Machine Co. - Elevator, May 20, 1914 (see Pittsburgh)

## Memphis, Tennessee

- Detroit Mantel and Tile Co. - Lighting Fixtures, September 29, 1913 (see Seattle)
- Interior Metal Manufacturing Co. - Elevator Doors, October 12, 1914 (see Seattle)
- Keyless Lock Co. - Steel Vault Equipment, November 12, 1914 (see Seattle)
- Memphis, Tennessee Water Board Commissioner - Installation of Water Connection, July 16, 1924

## Milwaukee, Wisconsin

- Milwaukee Electric Railway & Light Co. - Electric Power, March 26, 1920

## Minneapolis, Minnesota

- Detroit Mantel and Tile Co. - Lighting Fixtures, September 29, 1913 (see Seattle)
- Interior Metal Manufacturing Co. - Passenger Elevator Doors, October 12, 1914 (see Seattle)

Minneapolis, Minnesota (cont'd)

- H. Kelly and Co. - Ventilating Equipment, September 9, 1919
- Keyless Lock Co. - Steel Vault Equipment, November 12, 1914 (see Seattle)

Nashville, Tennessee

- S. F. Bowser Co. Inc. - Gasoline Pumping and Storage System, April 27, 1916

New Orleans, Louisiana

- Albert Kahn - Assembly Plant, August 18, 1922

Northville, Michigan

- Detroit Edison Company - Electric Service, September 21, 1929
- Michigan State Telephone Company - Telephone Service, December 3, 1919
- Village of Northville - Construct and Maintain Sewer, February 6, 1922

Oklahoma City, Oklahoma

- S. F. Bowser Co. Inc. - Gasoline Pumping and Storage System, December 28, 1915
- Gross Construction Co. - Construct Battery Charging Room, January 28, 1920

Pittsburgh, Pennsylvania

- Central District Telephone Co. - Service, May 12, 1910
- Cleveland Crane & Engineering Co. - Crane for Assembly Plant, October 28, 1914
- Duquesne Light Co. - Lighting Contract, September 26, 1913
- John Graham - Architect for Assembly Plant, December 11, 1914
- The Houghton Elevator & Machine Co. - Elevator, May 20, 1914
- Keyless Lock Co. - Steel Vault Equipment, November 12, 1914  
(see Seattle)
- Charles S. Smith - Battery Room, February 2, 1920
- Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, September 21, 1914  
(see Wichita)

Portland, Oregon

- Detroit Mantel and Tile Co. - Lighting Fixtures, September 29, 1913 (see Seattle)
- Keyless Lock Co. - Steel Vault Equipment, November 12, 1914 (see Seattle)

River Rouge, Michigan (Rouge Plant)

- The Browning Co.
  - January 27, 1917 - Crane Equipment
  - April 18, 1918 - Locomotive Crane for Shipbuilding Plant
- Candler Dock & Dredge Co. - Trestle Bridge for River Rouge, March 30, 1921
- John T. Cauley - 500' 10" Casing Well, November 9, 1917
- George R. Cooke - Grade Separation at Blast Furnace, August 3, 1918
- H. G. Cristman - Extend Walls of Stack Yard at Blast Furnace Plant, Oct. 8, 1918
- Thos. E. Currie - Excavating and Grading Work Site of Proposed Blast Furnace,  
January 24, 1917
- Detroit Board of Water Commissioners - Main for Shipbuilding Plant and  
Naval Station, March 6, 1918
- Electric Furnace Construction Co. - Electric Furnace, November 2, 1921
- Charles Gauss - Excavating and Dumping Privileges near South Dearborn Road,  
December 2, 1918

## River Rouge, Michigan (Rouge Plant) (cont'd)

- Gillespie Contracting Co. - 16" Gas Main from River Rouge to Highland Park, July 29, 1920
- The Industrial Works - Electric Locomotive Crane for Foundry, February 11, 1920
- Lakeside Dredging Co. - Overcast Material from River Bottom to Bank, June 10, 1918
- Morris G. Laramie - Rental of Steam Shovel, May 28, 1919
- Charles R. Lennane Co. - Sanitary Sewer, February 26, 1923
- David Luptons Sons Co. - Steel Sash and Glass And Glazing for Blast Furnace Repair Shop, March 21, 1918

## River Rouge, Michigan

- Manning-Maxwell & Moore, Inc. - Cranes, August 1, 1921
- McClintic-Marshall Co. - Steel Work Required for Mezzanine Floor of Blast Furnace Repair Shop, June 24, 1919
- Charles McIntosh Co. - Centrifugal Pumps for blast furnace, March 7, 1919
- Donald Miller Co. - Plumbing Fixtures in Toilet Room for Repair Shop at Blast Furnace, August 2, 1918
- Missouri Valley Bridge and Iron Co. - Sanitary Sewer Pump Well at Blast Furnace, June 11, 1919
- Morgan Engineering Co. - Two Laminated Ladle Hooks for Blast Furnace, June 1, 1920
- Nelsonville Brick Co. - Brick Pavements, March 22, 1926
- Walter S. Newhall Co. - Pile Driving at River Rouge Plant, October 23, 1916
- Pawling and Harnischfeger Co.  
 April 22, 1918 - Crane for Blast Furnace  
 December 13, 1919 - Thirty Ton Trolley for Foundry  
 January 20, 1920 - Four Cranes for Blast Furnace  
 July 20, 1921 - Fifteen ton Crane for Blast Furnace
- Raymond Concrete Pile Company - Pile Tests at Proposed River Rouge Site, June 9, 1917
- Robins Conveying Belt Co. - Sand Handling Equipment, June 15, 1920
- Fred Roulo - Grading at Blast Furnace Site, January 3, 1921
- Selas Company - Selas Machine, July 9, 1921
- Underfeed Stoker Co. - Stoker Equipment at Power House, October 15, 1919
- Wellman Seaver Morgan Co. - Electric Crane at Blast Furnace, January 14, 1920
- Western Waterproofing Co.  
 December 15, 1919 - Sanitary Pump Pit at Blast Furnace  
 September 23, 1920 - Walls and Floor of Foundry
- Westinghouse Electric & Manufacturing Co.  
 October 13, 1919 Electric Equipment Body Plant Power House  
 March 20, 1920 - Turbine Generator Unit at Blast Furnace
- White & McPhee Co. - Steam Shovel at Blast Furnace  
 September 7, 1918  
 June 9, 1919
- Whitehead & Kales Iron Works  
 February 7, 1918 - Steel Work Blast Furnace Repair Shop  
 November 3, 1919 - Steel for Addition to Mezzanine Floor of Blast Furnace

11 (cont'd)

River Rouge, Michigan (cont'd)

Whitehead & Kales Iron Works (cont'd)

December 16, 1921 - Raise Center Portion of Ladle Building

Wickes Boiler Co. - Two Wickes Boilers, July 15, 1920

Wisconsin Bridge & Iron Co. - Rail Plates at Blast Furnace, November 12, 1917

12

St. Louis, Missouri

Detroit Mantel & Tile Co. - Lighting Fixtures, September 29, 1913

(see Seattle)

Industrial Track Construction Co. - Platform Shed and Concrete Subway,  
July 1, 1920

Interior Metal Manufacturing Co. - Passenger Elevator Doors, October 12, 1914

(see Seattle)

Keyless Lock Company - Steel Vault Equipment, November 12, 1914

(see Seattle)

Trinidad Asphalt Manufacturing Co. - Roofing, September 17, 1920

St. Paul, Minnesota

Stone & Webster, Inc.

April 20, 1923 - Construction of Hydro Electric Development

September 19, 1923 - Steam Power Station

San Francisco, California

Detroit Mantel & Tile Co. - Lighting Fixtures, September 29, 1913 (see  
Seattle)

Interior Metal Manufacturing Company - Passenger Elevator Doors, October 12,  
1914 (see Seattle)

Keyless Lock Co. - Steel Vault Equipment, November 12, 1914 (see Seattle)

Scranton, Pennsylvania

Albert Kahn-Architect, November 29, 1915

Seattle, Washington

Detroit Mantel & Tile Co. - Lighting Fixture, September 29, 1913

Interior Metal Manufacturing Co. - Passenger Elevator Doors, October 12, 1914

Keyless Lock Company - Steel Vault Equipment, January 28, 1914

Utica, Michigan

Haughton Elevator & Machine Co. - Elevator, September 10, 1915

Washington, D. C.

Sidney Heckinger - Removal of Building, May 12, 1915

Wichita, Kansas

Wayne Oil Tank & Pump Co. - Gasoline and Oil Equipment, December 31, 1914

Yonkers, New York

John J. Long & Co. Inc. - Elevator Shaft, October 27, 1923
