

Accession #1365

Inclusive Dates: 1926-31

Amount: One 18-page manuscript (xerox copy)

This manuscript was transcribed from a tape recording made by Walker Morrow of Grosse Ile, Michigan. In it he describes his experiences in connection with the building of the ZMC 2. This was a zeppelin built for the Navy by the Aircraft Development Corporation of Detroit, an organization whose backers included Elsel and Henry Ford.
