

Ford Motor Company Manufacturing records collection
Superintendents Office (Ford Motor Company) records subgroup
Superintendent's Office (Ford Motor Company) Administrative records series
Branch Assembly Department (Ford Motor Company) records subseries

BRANCH LABOR AND PRODUCTION RECORDS, 1935-1941
Accession 759

SCOPE AND CONTENT NOTE

Branch Labor and Production records subseries, is comprised of correspondence relating to labor relations, labor costs, and plant production summaries. Of special interest is the correspondence between plant managers and Branch Assembly Department superintendents detailing the unsettled labor situation at Ford Motor Company between 1935 and 1941.
